CLUB NOTES

We extend a cordial welcome to Bridlington Trinity our visitors today.

The club recorded a double last week with a win at Thurcroft in the Senior Challenge Cup and at Penistone in the County Senior League. We have reached the Final of the Wire Workers Cup with a win of 5-1 over Richard Hills at Middlesborough on February 1st. We expect the Final to be played early in April.

Included in the team today is B. Goodall who had a successful debut with the second XI last week, scoring all three goals.

We have now reached the semi final of the Senior Challenge Cup.
